Sl. No	Vendor Name	Page No	Head	Clause	Suggestion/Remarks/ Queries	Bank's Remark / Amendment
1	Millennium Automation & Systems Ltd.	14	Preparation of Bid	The Bidder is required to deposit Rs.5,00,000/- (Rupees Five Lakhs only) in the form of a Demand Draft / Pay order in favor of "Odisha Gramya Bank" payable at Bhubaneswar or Bank Guarantee issued by a scheduled commercial bank valid for six months, with a claim period of 12 months after the expiry of validity of the Bank Guarantee as per the statutory provisions in this regard, as per format in Annexure A1 or A2.	Request to include Exemptions in accordance with MSME act and exempt MSME OEMS from submitting of EMD and Tender Fee. Most PSU Banks have been incorporating this clause and giving a level playing field to MSME Vendors as per the MSME Act, including procurement from MSME Vendors of minimum 15% of the quantity and also giving the chance to MSME to match L1 Price, in case MSME Vendor is not L1.	Bidder registered under MSME / NSIC as Micro & Small Enterprises of Manufacturing industry and the bidder is the OEM of the desktop then exemption will be allowed on EMD.  Any other bidder apart from this will have to submit EMD of <b>Rs.3,00,000/- (Rupees Three Lakhs only)</b> in the form of a Demand Draft / Pay order in favour of "Odisha Gramya Bank" payable at Bhubaneswar or Bank Guarantee issued by a scheduled commercial bank valid for six months, with a claim period of 12 months after the expiry of validity of the Bank Guarantee as per the statutory provisions in this regard, as per format in Annexure A1 or A2.  However, all bidders should submit bid cost of Rs.10,000/- (Rupees Ten Thousand only) in form of Demand Draft as per RFP
2	Millennium Automation & Systems Ltd.	18	Opening of Bids	Stage 2 – Indicative Commercial bids i.e. Envelope 'C' will be opened for qualified bidders for selection of L1 bidder	The prices offered in the Commercial Bid are the final prices and we believe there will be no Reverse Auction for the same. This is confusing and request Bank to clarify on the same and to amend /remove the word Indicative.	<i>This clause has been removed.</i>
3	Millennium Automation & Systems Ltd.	20	Terms and Conditions	The Desktops shall be delivered within 4 weeks of receipt of the Purchase Order and installed within 2 weeks from date of delivery.	Request that delivery period be modified to 6 to 8 weeks from date of receipt of order	The Desktops shall be delivered within 4 weeks of receipt of the Purchase Order and installed within 2 weeks from date of delivery.

As such request for amendments to this clause	The successful bidder / OEM should ensure that the Equipment proposed in this RFP, should not be declared as EOL or EOS by the OEM within the 3 years contract period.
5	Millennium Automation & Systems Ltd.	21	Terms and Conditions- Warranties and Support	Bidder guarantees the whole of the Goods against any defects or failure, which arise due to faulty materials, workmanship or design (except materials or design furnished by OGB)	Being an Electronic Item and susceptible to various factors, Guarantee cannot be provided. However, declaration towards warranty support for the entire warranty cycle can be provided. Hence request removal of the term Guarantee	Bidder guarantees the whole of the Goods against any defects or failure, which arise due to faulty materials, workmanship or design (except materials or design furnished by OGB)
6	Millennium Automation & Systems Ltd.	21	Terms and Conditions- Warranties and Support	The successful bidder shall provide comprehensive on-site maintenance (AMC) with back to back support with the OEM, for a period of 2 years, after expiry of the warranty period of 3 years. However, bank at its sole discretion may release separate purchase order for AMC after completion of 3 years warranty.	We request that you modify the same to ask Bidders to quote with 5yrs Warranty and thus coming at a normalization of the prices and also to ensure continuous warranty support for the entire Cycle.	The successful bidder shall provide comprehensive on-site maintenance (AMC) with back to back support with the OEM, for a period of 2 years, after expiry of the warranty period of 3 years. <b>AMC after warranty is optional.</b> Bank at its sole discretion may release separate purchase order for AMC after completion of 3 years warranty.
