

Odisha Gramya Bank

(A Govt. of India Undertaking)

Letter No: OGB/EOI/ITD/SDWAN/006/2021-22

Date: 27-07-2021

Expression of Interest (EOI) for Software Defined Wide Area Network (SD-WAN) to connect OGB branches.

Odisha Gramya Bank (OGB) invites all eligible bidders and OEMs to participate in an EOI meeting as per schedule mentioned below for procurement SD-WAN solution to connect branches of Odisha Gramya Bank.

Schedule:

03rd August 2021, 16:00 Hrs through Video Conference.

Participants are requested to send an email with request for Video Conference link to network@odishabank.in. The VC link will be shared to the participant's mail IDs on 03rd August 2021.

Architecture Proposed:

1. Banks branches, Data Centre and Disaster Recovery Centre are already connected to VAST network with private WAN. Airtel is the VSAT Service Provider at Branches.
2. A new link, either as Internet Broadband on Fiber or on wireless media with maximum height of 3m will be taken at branches.
3. These new links will work as primary connectivity and existing VSATs will work as secondary connectivity.
4. Both the links will be terminated on SD-WAN device to provide a secured network between DC, DR and branch.
5. The topology will be HUB (DC & DR) and spoke (branches).

Agenda:

1. Types of SD-WAN solutions available.
2. Proposed solutions by the participants.
3. Discussion on specification to be used in tender for selection of vendor for implementation of SD WAN in OGB.
